

Mom's OMG "No Cook" Banana Pudding

- 1 can Eagle Brand Milk (14 oz)
- 1 ½ cup cold water
- 1 pkg instant vanilla pudding (3 oz)
- 1 tub Cool whip (8 oz)
- 3 ea bananas (sliced)
- 1 box Vanilla wafers
- 6-8 ea maraschino cherries (optional)

Blend together Eagle Brand milk and water. Add pudding mix and mix well. Place mixture in refrigerator and chill until set. Fold in cool whip. Spoon 1/3 mixture in glass bowl, add half of the bananas and layer with vanilla wafers. Repeat layers and top with remaining pudding mixture. Garnish with extra vanilla wafers and maraschino cherries. Chill until ready to serve.

Makes 12 servings

Notes: OMG – Oh My Goodness! I'm not so sure about the 12 servings... Mom served a double batch of this delicious pudding for dessert Christmas 2007 and I am certain it didn't stretch as far as 12 servings. Ha! It is the best banana pudding I've ever had. Smooth and rich. Enjoy!
