

## LEMONADE CHEESECAKE

- 1 box white cake mix
- 3 ea eggs
- 1 cup sour cream
- 1 pkg cream cheese (3 oz)
- 1 can frozen lemonade concentrate (6 oz)

Preheat oven to 350 degrees, thoroughly grease a 10 inch tube pan.

Mix all ingredients in a large bowl on low speed until moistened. Scrape bowl and beat on high speed for 4 minutes. Pour into prepared pan.

Bake at 350 degrees for 50 minutes. Cool in pan 10 minutes, invert onto wire rack to cool completely.

When completely cool, top with a glaze made from

- 1 cup powdered sugar
- 2 TBSP lemon juice.

*Notes: I made this great cake for Super Bowl Sunday this year and planned to share it with friends, but Tim pouted so much when I told him he had to share it, I finally gave up and made something else to share with friends so he could have the whole cake to himself – well, not the whole cake – he had to share it with me.*
